

maginei Print Package Worksheet & Order Form  
 \$500 Package

Thank you for choosing Kimberley Bermender of maginei as your photographer. We hope that you enjoyed your photo session and that you have fun reviewing your proof images.

Your final images will be retouched and cropped to provide you with the best possible prints from the original digital photos. The prints are made by the best professional photo lab in this area. However, differences in ink, monitor adjustment and other variables can cause the appearance of photos to vary, so a print may not precisely match what you see in the proof sheet or, if proofing online, on your monitor. The images in your online proof gallery are generally cropped to 8x10 dimensions; when ordering other print sizes, please be aware that the image cropping will be different.

Please note that photo prints are not framed or matted. Photos will be delivered with a luster finish unless a glossy finish is requested.

Please allow 2-4 weeks for print processing and delivery.
